

The figure consists of eight photographs arranged in a 4x2 grid, each showing a different environmental or infrastructure site. Each image includes a small data overlay in the bottom left corner and a compass rose in the bottom right corner.

- Top Left:** Dense green vegetation on a hillside. Data: Hill and Environmental, Jo Sova Line, 30.01.2025 11:40, 24.0370, 28.0185 (45m), Altitude: 210m. Compass: S.
- Top Right:** A concrete structure (possibly a well or foundation) surrounded by dense vegetation. Data: Hill and Environmental, Jo Sova Line, 30.01.2025 11:40, 24.0370, 28.0185 (45m), Altitude: 210m. Compass: S.
- Second Row Left:** A damaged metal structure, possibly a gate or fence, with a person in a blue shirt standing nearby. Data: Hill and Environmental, Jo Sova Line, 30.01.2025 11:40, 24.0370, 28.0185 (45m), Altitude: 210m. Compass: SE.
- Second Row Right:** A dirt path leading through a grassy field with people in the distance. Data: Hill and Environmental, Jo Sova Line, 30.01.2025 11:40, 24.0370, 28.0185 (45m), Altitude: 210m. Compass: S.
- Third Row Left:** A grassy field with a fence and a person in the distance. Data: Hill and Environmental, Jo Sova Line, 30.01.2025 11:40, 24.0370, 28.0185 (45m), Altitude: 207m. Compass: E.
- Third Row Right:** A person in a blue shirt working near a concrete structure in a field. Data: Hill and Environmental, Jo Sova Line, 30.01.2025 11:40, 24.0370, 28.0185 (45m), Altitude: 212m. Compass: S.
- Bottom Row Left:** A grassy field with a fence and a person in the distance. Data: Hill and Environmental, Jo Sova Line, 30.01.2025 11:47, 24.0370, 28.0185 (45m), Altitude: 208m. Compass: SE.
- Bottom Row Right:** A person in a blue shirt working near a concrete structure in a field. Data: Hill and Environmental, Jo Sova Line, 30.01.2025 11:47, 24.0370, 28.0185 (45m), Altitude: 210m. Compass: S.
