Dear Madam

**NOTIFICATION ON THE AVAILABILITY OF THE NOTICE OF INTENT (NOI) SERVING AS THE
BACKGROUND INFORMATION DOCUMENT: KWANOKUTHULA MAIN OUTFALL SEWER &
PUMPING MAIN UPGRADE, PLETTENBERG BAY**

1. Your letter PLE/1362/06 dated 23 October 2025 to Interested and Affected Party (I&AP) / Organ of State / State Department refers.
2. It appears to be unlikely but Minor Road 7212 (OP07212; Saringa Road), for which this Branch is the Road Authority, might become affected by this proposal.
3. This Branch, from an environmental point of view, offers no objection to the issuing of an Environmental Authorisation in favour of this proposal, provided that detail drawings of the crossing of OP07212 are submitted to this Branch for its perusal and confirmation of the need to obtain an approval to cross that road.

Yours Sincerely

DD FORTUIN
